## 2016 J. LOHR *GESTURE* GSM PASO ROBLES

### WINEMAKER'S COMMENTS

*Strawberry and pastry aromas are integrated with notes of baking spice and fennel root. Light and inviting on the palate, with a bit of old-world chalkiness on the finish.*

—Steve Peck, red winemaker

### VINEYARD

The vineyard source for this blend is our Gean Ranch, which is the westernmost vineyard in the entire Paso Robles AVA. This planting, located in the Adelaida district, was established in 2009 and is beginning to produce wines of the balance and intensity required for our Gesture program. Our farming plan brings the crop to one cluster per shoot prior to veraison, and in order to intensify flavor, these large-clustered varieties require trimming off the wings and the lower third of the clusters as well.

### FOOD PAIRINGS

A very adaptable wine for food pairing. Complements anything from an onion tart to grilled lamb, spicy crab cakes or a savory vegetable stew.
