

The logo features the name 'J. Lohr' in a flowing, cursive script. Below the signature is a thin horizontal line.

SIGNATURE

J. Lohr Signature Cabernet Sauvignon was first produced to honor the 80th birthday of our founder, Jerry Lohr. Signature represents both a tribute to Jerry's pioneering efforts in the Paso Robles region and our portfolio's ultimate, limited, red wine release. The 2014 J. Lohr Signature Cabernet Sauvignon is our second vintage of this statement wine; it is the result of years of experience and collaboration between our vineyards and winemaking teams.

HARVEST

October 14 and 15, 2014

VINIFERA

Cabernet Sauvignon 100%
Beck Vineyard – Creston District, Paso Robles
Clone 337 on 110R rootstock

VINEYARDS & CELLAR

Beck Vineyard, in the Creston District of Paso Robles, is a unique site perched 1,700 feet above the early morning fog. Its calcareous soils and cooling afternoon winds are perfect for growing structured, nuanced Cabernet Sauvignon. The Clone 337 Cabernet from this estate ripens evenly and early with excellent color, purity of fruit, and mature phenolics.

The hand-harvested grapes were berry-sorted into six-ton open top tanks for fermentation. Maceration took place on the skins for five days, before early pressing to limit tannin extraction.

Aged 17 months in 100% new French oak from coopers Demptos, Marcel Cadet, Nadalie, and Saint Martin.

PRODUCTION

2,668 three-bottle cases were bottled in June 2016.
