

# DIY Winter Wine Koozy

*At Home with J. Lohr*

# Materials Needed

- Wine Bottles
- Old Knit Sweater
- Scissors
- Spray Paint\*
- Sewing Kit or Fabric Glue\*
- Sticks or Decor

*\*JLV&W does not endorse or recommend any specific brand of paint or fabric glue*

## Step #1

Cut the sleeve of the sweater to the length of the bottle.

## Step #2

Remove excess fabric around the bottle neck by cutting and sewing/gluing the sleeve to the circumference the bottle's neck.

## Step #3

Lay down cardboard and spray paint all sides of the decorative sticks to your color of choice.

## Step #4

Add the decorative sticks to your wine bottle koozy, pour a glass of J. Lohr wine, and enjoy !

# Cheers!
