J. LOHR  
OCTOBER NIGHT  
CHARDONNAY  
*Arroyo Seco, Monterey*

Dijon 809, a distinctive Chardonnay cultivar also known as the “Musque” clone, is harvested in a single night in October from our cool-climate vineyards in Monterey’s Arroyo Seco. Traditional Burgundian cellar techniques make for an aromatic, complex Chardonnay.

2017  
J. LOHR  
CAROL'S VINEYARD  
CABERNET SAUVIGNON  
*St. Helena, Napa Valley*

Our Carol's Vineyard lies in northern St. Helena along the Napa River, at the foot of the Silverado Trail. In 2017, the Napa Valley cool temperatures arrived in September, allowing extra hangtime before an early October harvest. Aged 17 months in French oak barrels from cooper Saury, 60% being new wood. Final blend composition: 87% Cabernet Sauvignon (clone 337) and 13% Petit Verdot.

2013  
J. LOHR  
CAROL'S VINEYARD  
CABERNET SAUVIGNON  
*St. Helena, Napa Valley*

The high fraction of Petit Verdot (22%) from the estate in this 2013 vintage library release has produced a wine expressing chocolate and distinct blue fruit aromas, alongside graphite and violets. A great example of a great Napa vintage displaying its exceptional ageability. Aged 17 months in French oak Bordeaux cooerage, 75% being new wood.

J. LOHR *TOUCHING LIVES*<sup>™</sup>  
*Virtual Tasting*

Named for Jerry Lohr's late wife Carol, our vineyard in St. Helena produces exceptional Cabernet fruit that is unmistakably Napa Valley in origin. A donation from every bottle sold benefits National Breast Cancer Foundation programs and outreach.
