FREE

Savor the magic. Inspired by Shakespeare's ethereal spirit Ariel, this oak-aged, alcohol-removed Cabernet Sauvignon enchants with lush aromas of black currants, cherries, blueberries, and notes of chocolate. Soft tannins and a dry finish echo Ariel's elusive, poetic nature.

Winemakers' Comments

After undergoing fermentation in stainless steel, this Cabernet Sauvignon is separated from the skins, and a portion is moved into oak cooorage for extended aging. Just prior to bottling, the alcohol is gently removed, leaving just true Cabernet flavor and character.

Composition: 79% Cabernet Sauvignon and 21% of other red wine varietals.

Pairings

Try ARIEL Cabernet Sauvignon with beef, lamb, and red-sauced dishes. Best enjoyed within five days of opening.

Mocktails

Get creative! ARIEL Cabernet Sauvignon is delicious on its own or is the perfect, fine wine base for your favorite mocktails.
