Experience the enchantment. Named for Shakespeare's ethereal spirit Ariel, this alcohol-removed Chardonnay swirls with tropical fruit, ripe apple, butterscotch, and a whisper of toasty oak.

Let each delicious sip transport you, capturing the spirit of goodness and poetic grace in every bottle.

Winemakers' Comments

ARIEL Chardonnay is cold-fermented in stainless steel cooperage and small oak barrels. Once fermentation is complete, it is blended before undergoing further aging. Just prior to bottling, the alcohol is gently removed, leaving just rich Chardonnay flavor and character.

Pairings

Try ARIEL Chardonnay with fresh seafood, veal, duck, and cream pasta dishes. Best enjoyed within five days of opening.

Mocktails
