Light and airy like Shakespeare's magical sprite,
this wine weaves a spell of refreshing Sauvignon
Blanc character: lime, kiwi, passionfruit,
and fresh herbs.

Winemakers' Comments

ARIEL Sauvignon Blanc is cold-fermented in stainless steel barrels.
Once fermentation is complete, it is blended before undergoing
further aging. Just prior to bottling, the alcohol is gently removed,
leaving just bright Sauvignon Blanc flavor and character.

Pairings

Enjoy ARIEL Sauvignon Blanc with
fresh seafood and shellfish, spicy
Asian-Fusion dishes, or herbed chèvre

Mocktails

Get creative! ARIEL Sauvignon Blanc
is delicious on its own, or it is
the perfect fine wine base for
your mocktails.
